SUPPLEMENTAL DECLARATION FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled

COMPUTERIZED RISK MANAGEMENT MODULE FOR MEDICAL DIAGNOSIS

the specification of which was filed on August 10, 2001 as United States Application Number 09/928,130.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose to the United States Patent and Trademark Office all information which I know to be material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, § 119(a)-(d) of any foreign application(s) for patent or inventor's certificate listed below. I have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.

| <u>Number</u> | <u>Country</u> | <u>Day/Month/Year Filed</u> | <u>Is Priority Claimed?</u> |
|---------------|----------------|-----------------------------|-----------------------------|
| NONE | | | |

I hereby claim the benefit under Title 35, United States Code, § 119(c) of any United States provisional application(s) listed below.

| <u>Application Number</u> |
|---------------------------|
| 60/244,496 |
| 60/245,255 |

| <u>Filing Date</u> |
|--------------------|
| October 31, 2000 |
| November 2, 2000 |

I hereby claim the benefit under Title 35, United States Code, § 120 of any United States application(s) listed below. Insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the duty to disclose information which is

material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application.
